(2018-2023)

Book Three (2018 to 2023)

You work out God, his Angels, and all those Psychics for yourself through my life Story and Works

This book has a lot of my Teachings
And this book, tells you the final outcome

The book has been sent to an Entertainer that I have been spiritually Courting for about 30 years to 2023.

Just a note, which may help? Ask for Arch Angels Michael, to protect you.

Introduction

I lived in a haunted house for 25 years, until God came on board and helped me

clear the situation. He told me why my house was haunted and where the evil spirits had come from. You work out God and his Guardian Angels and all those Psychics for yourself through my life story? My Spiritual Courtship with an Entertainer, will it ever happen? How I tried to pull off a Hydrogen car, and gain a Music contract?

This is a book for Psychics who want an insight on how clairvoyance turns out in the end. God and Elvis are my teachers and I wish to lead people to their Guardian Angels and God through my life story and works. May you learn something from my book or be inspired to listen to your own Guardian Angels using your sixth sense.

Well, I now have company, on these long cold nights.....

Archangel Banguel Daniels

He has offered his kind services, to an old woman

No sugar coke, and Hungry Jacks;

I've been good to you, so be good to the Animals in return

Give donations and help support them

These little creatures, need your help

For free veterinary care, for all animals

Have a poster of Boss, the new age messiah for Animals, and

Charmaine on you walls and Advertisements, and tell everyone, you support us.....

Aliza

I'm getting ready for bed now.....? Cleaning my Teeth, and laying down in bed, listening to music

It's 11.45 pm

It depends if Aliza, has anything else to say?

My Diet

8 weeks ago, 100 kilos

Now 92 kilos

And still drinking my sugar free coke, from Aldi
And I am eating very well.... Thank You!

4 basic meals a day Smoothie, small dinner, Dinner, Large glass soya milk and one or two bananas during the day

Don't ask, don't get?

When, you send your lousy Guides, to do community service.....? Make sure you stipulate, how many hours, they are to do? Which fits the crime, and what you want them to do? Be fair, otherwise it will come back on you, or be cancelled.....?

Good Night, Dave

Dave, can come forward **NOW**, if you can help clear up my payments, for my books?

Otherwise, with us both having no money, **at all**, as mine is all going out, on the Project, he may have to wait, until next year.....I've done all the hard work, up to now, on my own.....It's now up to yuzu's

Hope to hear from you, Dave, any day?

Susan

Other Payments,?

Badly needed doing, is my outdoor setting, it needs oiling and sanding.....

And then I am free of all debt.....

May be a carpenter, like yourself, Dave, would like to revamp your own wardrobe, in my house? as Housing have no funds, That's your choice...?

Hope you see clear.... This is not a scam....

Susan

The Wardrobe?

May also be used, if my Son, comes home

Mark, the Prime Minister, is looking at working near Brisbane? He may stay until he is on his feet.....?

The Wardrobe, will be handy for yourself, Dave, and who ever else uses, that room? May be even your Daughter, but that depends, if my family are coming home? Otherwise, they're is the living room with a mattress.....?

What, do you say, Cowboy?

Hold hands in the dark?

And a kiss goodnight?

"Will get you going again?"

See if you can see clear, on coming forward, now?

"Sometimes, I feel like ending it? And if it doesn't work out with, Susan, I might?" Says Dave....

Well, love, you still have to go to work, on the other side...?
For example, you may be an Entertainer, Carpenter, or work as a Angel, for your family, on a small pension...?

And, you have lost the family, you had here, as they do not know you as still around.....?

So, really you are no better off.... also, all the rewards, Aliza would have given you, for the life you have led, are all gone.....?

Those famous, are no longer, famous, or you may have lost the chance.....? Those rich, have lost their money....and have to start all over again?

I'm waiting for you to come forward...?

You, may think you are lonely now?

But if you commit, suicide, because of that, Loneliness, or heartbreak? and think they're is a better life, on the other side? You are wrong....

There, will be nobody for you on the other side, for a very long time.... maybe not until you reincarnate, again?

Also, those that are cheaters, and don't support their children...? There is nobody for you either....

The Angels, will make sure, you have nobody.....On the other side, and this life? All you will get, is shit, if that's what you deserve.....?

What comes around, goes around.....

If you are always sick, well, maybe you used a lot of people.... It all comes back on you,,,,,,?

Or it could be the lessons you have to learn, to better your life.....?

So, Dave, watch Television, and be a good boy.... Until the time comes? Hopefully soon?

Good night....

David, do you want to live, with your Mum?

With a travelling portable, mattress, on the floor?

That's what you might be getting?

If you pass over?

Or you could be an Angel for me? Sitting in a chair all day, or laying in bed, listening to my shit? On a small wage?

That's Paradise.....

And, all you drug addicts, and Alcoholics...?

When you pass over, you will lose your Qualifications....

If, working or studying while under the influence....

And, if under the influence, while working, you have to pay everybody back.....

Those, people that starve themselves, especially

Women, will be huge, when they pass over, the same with Karma, druggies, and Alcoholics....

I've been told, most Women, are obese, and look awful on the other side.....? Due to not eating right, also Karma?

I saw Noel, last night in my sleep.....A video was taken of him, with a hand up to his mouth having a smoke.....He was overweight.....

He said "He had a shower?"

They had to make a point of it.....as its not common practice.....His hair was combed, and still wet...as he was standing, looking into the camera. having a smoke, and probably his coffee. As he always did.....Wearing cream pants, and shirt.....

I set my work, on Pedophiles and Serial Killers, world wide...?

Also, Spiderman, William and Daniel?

I, just asked to "kill them", as I have set out in my Keywords.....I also have used to code, to make sure a Warrior, handcuffs, them and

reads them their rights, and send them through the white light, to be sent to Spiritual Court, where they will be tried for their crimes, and may they pay for their crimes, as God feels fit?

I have not had fidgety feet, for two days? I think Aliza, has taken over, from killers and Rapists, after me?

My Birthday, on the 7th of July....I don't know how old I am? I lost count...?

I got my book covers.....Very happy with them....

What Aliza, likes?

"Do you Smoke cigarettes, Aliza?"

"Of course,", was his reply...

"What do you drink all day?"

"I drink hot Tea, with no sugar" said Aliza

I now go to my local Fruit and Vegetable shop, and get old fruit, for the Possums. I have them bringing me in work now? Also, I asked them to bring work in, for the fruit and Vegetable shop, as they give the food for free.....

I have been attacked, all week until about 1 or 2 am, waiting for a call? \$100 Reading, which I would be lucky to make? As most clients, have poor energies.....?

I went to Raguel, and told him/her my complaint?

I then gave Tony Pots and Pans, as usual.....?

I then thought about it? After a short nap, and released, that it is most probably coming from my Grandparents....which it was.... So, I fined them \$100, then an hour later, \$200, and got them to do Pots and Pans. For two hours...?
